De 2009 TV-modellen van Philips krijgen voorlopig geen Caiway CI+ certificering. Philips heeft toegezegd te blijven werken aan het mogelijk maken van de certificering. Het betekent niet dat de sets niet werken op het netwerk van Caiway, maar dat Caiway niet kan instaan voor een probleemloze werking van deze toestellen op haar netwerk. Ondersteuning hiervoor zal daarom niet via Caiway, maar via de Philips klantenservice plaatsvinden. Voor verdere vragen kunt u zich tot Philips wenden via 0800-0230076 (gratis).
